

More than a granita machine...

a thing of beauty, power, and design

SLUSH, GRANITAS & SHAKES

SPIN

Features & Benefits

-  **Hygienic design** prevents residual mix from collecting in the dispensing head
-  Corrosion-resistant **stainless-steel panels** mean easy cleaning and long-lasting beauty
-  **Electrical contact lid closure** provides illumination without unsightly connector wires
-  Only auger on the market designed for both **icy granita drinks** and **creamy cold drinks**
-  **Added safety option:** auger motor stops when the lid is removed
-  Standard **FastFreeze** option decreases time before serving

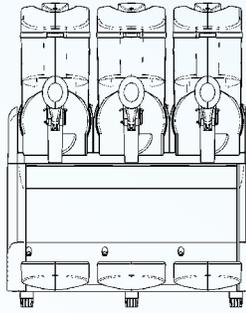

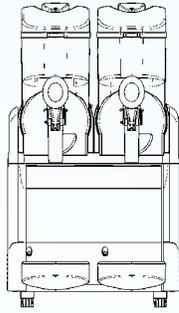

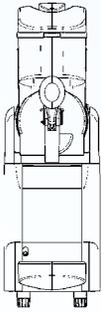

SIGNALS WHEN THE DRIP TRAY IS FULL

The drip tray features an indicator that warns when the drip tray is full. A useful solution for preventing spills on your counter top.

More Power to Cooling

Upgraded refrigeration system, easy to maintain.
